

Tsunami RACER

A perfect indoor training bike for the home. The drive belt is smooth and quiet, while the frame is rock solid. Feel free to pound out the miles with complete confidence. The Tsunami Racer has many of the same features found on the Sport version including the stable frame, metal chain guard and lowstep over height.

features

Easy Assembly

Most components are pre-assembled making for a fast and easy set-up.

Stable Frame

Made with oval tubing, excellent stability and 350 lb. user weight.

Large Bottom Bracket Shell

Shell has been oversized to improve bearing life.

Pop-Pin Adjustment Knobs

Designed to give you years of reliable adjustments on the seatpost and handlebar.

Low Step-Over Height

Enables easier mounting as compared to x- or y-frames.

Sweat Hoods

Built into the frame to protect the flywheel and brake assembly from corrosive sweat.

Belt Drive

A drive system so smooth and quiet, it adds to the comfort of your workout.

Metal Chain Guard

Provides durability in a heavy usage area of the cycle.

Steel Flywheel

42 lb. flywheel is heavy enough to prevent the "runaway effect" seen on cycles with lighter flywheels.

Home Warranty

10 years on frame; 3 years on parts; 1 year on wear items and labor.

*Please refer to www.watersfitness.com or the Owner's Manual for complete warranty details.
